Che Salt Lake Herald.

Now that Senator Clark has established a reputation as a scrapper and Beginning with the romp and tear of a provincial school room—one of the wn around Uvada.

Polished floors are all very well, but among those who have got into a three the young hero sacrifices his three of house cleaning there is a pretty general conviction that a caraction. knock-out artist, he ought to be able to get a good job on his railroad line

the throes of house cleaning there is a pretty general conviction that a carpet ic hard to beat.

Italy has scarcely had time to get warm under Sepator Kearns' feet, and yet Vesuvius is in eruption. Who said the machine had lost its influence?

Drunkenness is said to be on the increase among the English, but after reading the budget, who will have the heart to blame them?

Mr. Bryan's Commoner says that Mark Hanna has shattered tradition. It serves tradition right. Why didn't it form a trust? TO THE LAB OF SUM THE Cheer up! Cherries are ripe in California.

Che Sait Lake Beraid.

Somewhat with the common setting of the com

life, it is full of pleasing and thrilling action.

The support is good all through. Mr. Webber makes a praiseworthy effort as Guy Fitzroy, and Miss Procter's little part is very cleverly done. The other roles are in capable hands. The production would handly be complete without them all. The same scenery used in the New York production is carried by Mr. Kyle and this leaves nothing to be desired.

The engagement closes tonight.

pert that Herne has left the stage permanently. His successor in "Sag Harbor." George Woodward, is spoken of very highly by eastern critics and the remainder of the company is the same as appeared in the original pro-duction.

having stolen a small ox (lox) from a woman's work bag. A rat (raft), says another paper, descending the river, came in violent contact with a steamboat, which was with great difficulty kept afloat. The size of this rat brings to mind the dimensions of rodents for whose capture traps were advertised by one of the large dry goods stores in Chicago. The notice read: Traps for rats three feet long," and still it is asserted that there is no

four. The result is that they probably have started in married life for the last time with a busement packed to the celling with an assortment of washin, so chopping bowls and picture frames that would turn any soul against the set of the celling with an assortment of washing the consequence is that many streets and the consequent increased out in the hotels last night; all brings to mind the dimensions of whose capture traps were deated at the hotels last night; all of them having been married in the married and the married in the married in the married in the married and the married in the married and the consequent increased that they are literally seas of much and many a stranger has gone the curtain by the mission of the city present a most deplorable appearance in wet weather. At certain seasons they are literally seas of much and many a stranger has gone the feed of like kind was the attempt of the city present a most deplorable appearance in wet weather. At certain seasons they are literally seas of much and many a stranger has gone the feed of like kind was the address would be depleted to business and a season with an assortment of washing by Grand Master Dark.

Three newty-wedded pairs were deat the hotels last night; all brings to mind the dimension of the large dry of them naving been married in the married and of the married in the married in the married in the married and still it is asserted that there is a bit of them naving been married in the married and in the water and lay it of the married and in the water and lay it of the married and in the water and lay it of the married and in the water and lay it of the venerable clergy pink was ma
